

Product Datasheet

GSP1005

Main

Family	Wiring sleeves
Version	Spiral Sleeve – Transparent color
Code	GSP1005
Reference	GSP 12
Length (m)	25
Ø nom. internal (mm)	9
Ø min (mm)	10
Ø max (mm)	20

Technical Features

Material: Polyethylene

Color: transparent (other colors upon request)

Working temperature: -50 °C ... +85 °C

Packaging: coil in plastic bag

Cutting tool: scissors

THE RANGE - APPLICATIONS AND ADVANTAGES

- made of polyethylene
- allows covering already wired cable bundles
- certified RoHS

Please contact Teknomega for non-specified tolerances.
