

# Product Datasheet

## GSP1007

### Main

Family	Wiring sleeves
Version	Spiral Sleeve – Transparent color
Code	GSP1007
Reference	GSP 15
Length (m)	25
Ø nom. internal (mm)	11
Ø min (mm)	12
Ø max (mm)	24

### Technical Features

**Material:** Polyethylene

**Color:** transparent (other colors upon request)

**Working temperature:** -50 °C ... +85 °C

**Packaging:** coil in plastic bag

**Cutting tool:** scissors

### THE RANGE - APPLICATIONS AND ADVANTAGES

- made of polyethylene
- allows covering already wired cable bundles
- certified RoHS

Please contact Teknomega for non-specified tolerances.
