

Product Datasheet

GSP1010

Main

Family	Wiring sleeves
Version	Spiral Sleeve – Transparent color
Code	GSP1010
Reference	GSP 20
Length (m)	20
Ø nom. internal (mm)	13.6
Ø min (mm)	14
Ø max (mm)	30

Technical Features

Material: Polyethylene

Color: transparent (other colors upon request)

Working temperature: -50 °C ... +85 °C

Packaging: coil in plastic bag

Cutting tool: scissors

THE RANGE - APPLICATIONS AND ADVANTAGES

- made of polyethylene
- allows covering already wired cable bundles
- certified RoHS

Please contact Teknomega for non-specified tolerances.
